Featuring Dr. Stanley F. Malamed

FRIDAY, DECEMBER 11, 2020

**ADAMS SCHOOL
OF DENTISTRY**

**LOCATION:
LIVE Webinar Via ZOOM**

Sponsored by the University of North Carolina Division of Pediatric and Public Health

COURSE DESCRIPTION

Local anesthetics (LA) are the safest and most effective drugs in medicine for the prevention and management of pain. However, the young child patients present a challenge for the dentist in relation to the safety versus risk. Dr. Malamed will review current LA formulations, their efficacy and safety in children and discuss differences in a child's anatomy and technique for achieving effective safe pain control. Current research into new drugs and techniques will be reviewed.

Medical emergencies can, and do, occur in the practice of dentistry. Dr. Malamed will review basic preparation of the dental office and staff, including specifics for the pediatric patient, to recognize and effectively manage these emergencies that might arise in both adults and children. Specific emergencies common to children will be reviewed, including bronchospasm (asthma), seizures, and drug overdose.

OBJECTIVES

Upon completion of this course, participants should be able to:

1. Identify and describe the various local anesthetics, their efficacy and safety, and pain control in children.
2. Understand the anatomical differences in a child relative to delivering local anesthetics.
3. Obtain an awareness of new pain controlling medications and new delivery systems.
4. Recognize and manage local anesthetic and sedative overdose.
5. Recognize and manage bronchospasms/respiratory distress, seizures, and cardiac arrest.
6. Identify the basic emergency drugs recommended for both the pediatric and adult office emergency kit.

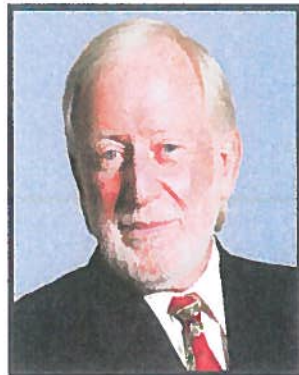

SCHEDULE

9:00am	Welcome & Introduction
9:00am – 10:15am	Dr. Stanley Malamed
10:15am – 10:30am	Morning Break
10:30am – 12:00pm	Dr. Stanley Malamed
12:00pm – 12:45pm	Lunch
12:45pm – 2:15pm	Dr. Stanley Malamed
2:15pm – 2:30 pm	Afternoon Break
2:30pm – 4:15pm	Dr. Stanley Malamed

ABOUT THE SPEAKER

Dr. Stanley F. Malamed is an internationally recognized expert on conscious sedation, local anesthetics and management of emergencies in the dental office. Currently, he is Emeritus Professor of Anesthesia and Medicine at the Herman Ostrow School of Dentistry, University of Southern California and is a Diplomate of the American Dental Board of

Anesthesiology. Dr. Malamed is a past recipient of the Heidebrink Award from the American Dental Society of Anesthesiology, the Horace Wells Award from the International Federation of Dental Anesthesia Societies and most recently the Leonard M. Monheim Distinguished Service Award, from the American Society of Dentist Anesthesiologists. He has authored more than 160 scientific papers and contributed 28 chapters in textbooks. In addition he is the author of three widely used textbooks, Handbook of Medical Emergencies in the Dental Office, Handbook of Local Anesthesia, and Sedation-A Guide to Patient Management.

DISCLOSURE STATEMENT

In accordance with the ADA CERP Standard V., everyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interests and this information will be made available to participants at the start of the activity.

As a continuing education provider, UNC Adams School of Dentistry is responsible for ensuring the content, quality and scientific integrity of all continuing dental education activities for which credit is provided. The School is also responsible for taking steps to protect against and/or disclose any conflict of interest of the faculty/instructors presenting those courses.

TIME & LOCATION

The program will be held LIVE online via ZOOM webinar. The program will be held from 9:00am – 4:15pm. A confirmation email will be sent to you with the specific details of how to log-in to the meeting once you have completed your registration and paid for the course.

REGISTRATION FEE AND CREDIT

The registration fee is \$150 for dentists and \$80 for team members. The program will award 6 hours of CDE credit. The registration deadline is **December 4, 2020**.

CANCELLATIONS AND REFUNDS

A registration refund, less a **\$30 fee**, will be issued for cancellations received by **Friday, December 4, 2020**.

Cancellation requests must be received in writing either via fax 919-537-3098 or email cde@dentistry.unc.edu. The cancellation request must include: the name of the activity, name of the person registered, name of the person requesting the cancellation, and the reason for the cancellation. No refunds will be issued after **Friday, December 4, 2020**. The UNC School of Dentistry Continuing Dental Education Program cannot be responsible for the refund of any part of the registration fee as a result of emergencies, unforeseen circumstances, or events beyond its control after the cancellation date.

The University reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement, the University will fully refund registration fees but is not responsible for any related costs or expenses to participants, including cancellation fees assessed by hotels, airlines, rental cars, or travel agencies.

ADA CER.P® | Continuing Education
Recognition Program

The UNC Adams School of Dentistry is an ADA CER.P Recognized Provider.

This continuing
education program
is presented by

the University of North Carolina at Chapel Hill Adams School of
Dentistry and the Continuing Dental Education program. The UNC
Continuing Dental Education program is an ADA CER.P Recognized
Provider. UNC CDE's term of recognition is May 1, 2019 through
December 31, 2023. ADA CER.P is a service of the American
Dental Association to assist dental professionals in identifying
quality providers of continuing dental education. ADA CER.P does
not approve or endorse individual courses or instructors, nor does
it imply acceptance of credit hours by boards of dentistry.
Concerns or complaints about a CE provider may be directed to
the provider or to ADA CER.P www.ada.org/cerp.
